To Whom It May Concern

This is to certify that **Mr. Chirapa Eswar Venkat Satyanarayana** has successfully completed his internship at **Tech Nirmaan,** Hyderabad, in the role of ASE (Associate Software Engineer) Intern for a duration of 30 working days commencing from 01 December 2025.

During his internship period, he was actively involved in product development activities and internal technical initiatives within a structured, learning-oriented, and professional environment. Throughout the internship, he maintained proper conduct and complied with company policies, including confidentiality, data protection, and intellectual property guidelines.

We appreciate his efforts and wish him great success in all his future professional endeavors.

Best regards,

Anjaneyulu M
